By the ONE to find the ONE

As an Empowered Dater:

- 01 I'm excited that I have an amazing Dating Plan to create my future now!
- 02 I'm in full control of my dating life and I enjoy the process knowing it's leading me to my dream.
- 03 I fully embrace Dating Related Activities as I create a pipeline of people and activities to look forward to.
- 04 I'm in action and I embody healthy mindset so I don't put anyone on a pedestal or feel attached until it's real.
- 05 I'm curious about the people I'm meeting and understand that it just takes one.
- 06 I love that when I meet someone new it's an encounter and each wrong person leads me closer to my soulmate.
- 07 I Screen & Sort through matches inviting those I choose to read my Soulmate Invitation Dating Profile so the right ones can reply if they see themselves fitting into my vision. This saves a lot of time!
- 08 I Share & Ask from the first dating encounter leading me with clarity to my soulmate.
- 09 I'm prepared to have meaningful conversations that make up for years of Mystery Dating.
- 10 I know the top 3 things to evaluate if we should meet again:
 1. Am I attracted? (Yes or No)
 2. Do I like his/her personality? (How do I feel with this person?)
 3. Do we share vision, values and goals? Are we on the same timeline?
- 11 I know that I am not looking for a lot of second dates, I'm looking for the right One for me.
- 12 I end dates with clarity so as not to invest time in wrong people.
- 13 I'm clear that when it's right, it flows so I don't ever date potential.
- 14 I know that I can't say the wrong thing to the right person.
- 15 My heart is fully open to my soulmate.
